

Calliope River Historical Village

Description of key features of museum- what are its unique features? What is significant in its collection?

The Calliope River Historical Village is a collection of buildings from around the local area, housing an interesting range of displays used in everyday life. The exhibits range from horse-drawn wagons and farm equipment, hand tools, gramophones, dolls and hats to household items and furniture. The Village - located by the Bruce Highway on the bank of the Calliope River, 6K north of the Calliope Crossroads and 100K south of Rockhampton, is open 7 days 8am to 4pm.
